

NPT assists Students with Tuition!

**Humberto Camacho -
Student at SUNY Oswego**

With the help of New Professional Theatre offering me a partial scholarship, I'm able to work towards earning my Bachelor's Degree in Broadcasting and Mass Communication. New Professional Theatre has helped back me up in my college experience, which helps out a lot knowing that I have people who are behind me and willing to go above and beyond to see me go through college.

As of now, I am working with the radio station on campus (88.9 FM WNYO) and help produce and call hockey games. Along with producing and calling hockey games, I also have my own hour long sports radio show called the Laker Zone. The opportunities that are available for me at SUNY Oswego are helping me work towards my goal of becoming a sports radio personality.

"NPT and the people behind it have given me the confidence and ambition to reach my goal!"
